

## OISRA Full Membership Decision to change the definition of Voting Members

10-11-17

The OISRA full membership (comprised of representatives from Alpine and Nordic member schools) made the decision *to approve the concept of changing the OISRA Bylaws so that COACHES will be defined as the voting members of the OISRA organization.*

Follow Up and Implementation: The specific Bylaw amendments will be prepared by the OISRA Board of Directors and proposed to the full membership in the Spring of 2018 for a final vote. A changed voting status for Community Club coaches will go into effect in the Spring immediately after the final vote.
